The procedures specify that any member of the Board is eligible for the chairmanship so long as he has served on the Board at least one year (and there is no limit placed on the number of terms the Chairman of the full Board can serve).

MEMORANDUM

TO: NAEB Board of Directors

FROM: Harold E. Hill

DATE: December 15, 1961

It is time to elect a chairman for the Board of Directors for 1962.

Under the new policy adopted by the Board at its last meeting, the Chairman of the Board is to be elected annually, by mail, from among those who have had one year's experience on the Board within the past five years. The number of terms which he may serve as chairman is not limited.

Attached is a list of the newly constituted Board, and below is a coupon for you to fill out and return to me. Since we cannot elect the chairmen of the Radio Board and TV Board until after the chairman of the full Board is elected (to avoid any possible duplication), and since we would like to have all three Chairmen elected shortly after the first of the year, will you please return the ballot to me no later than December 26?

As agreed by the Board, there will be no formal procedure of nomination, followed by election. Rather, each member is asked to vote for the one he prefers for chairman. The one getting the most votes (a plurality is all that is required) will be elected. In case of a tie, a run-off will be held among those tied.

FROM: Harold E. Hill

RE: Election of Chairman for TV and Radio Boards

As a result of the recent mail vote, Dick Hull has been re-elected chairman of the NAEB Board of Directors. Under Board procedures, the next step is to elect chairmen of the Radio and TV Boards. Under the procedures adopted by the Board, to be eligible for these posts, a member of the Board must have served on the Board for at least one year. In addition, no one can serve as chairman of the Radio or TV Board for more than two years in succession. However, this latter restriction is not applicable in this election since Ken Kager, only incumbent, has served as chairman of the Radio Board for only one year.

Below are two ballots - one for each Board - listing the names of those eligible. Although, for convenience, the same memo is being sent to all members of the Radio and TV Boards, you realize that you may vote only for the chairman of the Board on which you serve.

Please return your ballots to me so that it arrives not later than Wednesday, January 2, 1963.
